Dear Sir/Madam:

Greetings!

We feel honored to let you know that our province, the Cagayan Valley, is burgeoning in its economic performance. The Provincial Government is committed in its goal to put Cagayan Valley as one of the prime economic hubs of the country. Various programs, plans, and projects geared towards economic development have been conceptualized and implemented.

Cagayan Valley has likewise been among the provinces highly considered by investors for their business ventures. With this, it would be a great privilege to invite your company for possible investing in our province. Indeed, if ever this will be granted, the Cagayanos will be the one most benefited. As this would not only boost our province's economy but likewise an opportunity to provide more employment for our constituents.

Thank you and we are looking forward to be steadfast partners for economic growth.

Very truly yours,

*Gra-Cle Builders and Development Group Inc. was merely an insignificant entity in the business world five years ago. It had gone through the forging process a small company had to go through to where it is right now. It is blessed that despite the harsh business climate, the pandemic and the global recession, GBDG has gained the trust of global brands and has solidified its own clout of influence, hence, the maturing conglomerate to where it spearheads other verticals across different business platforms of trades.*

*What makes GBDGI different from the rest, is the composition of the Directors of the Company together with its closed group who have extensive experience and expertise in various fields of profession such as banking, finance, engineering, accounting, trading, construction and law.*

*We believe that this diversity is what makes us different from the other companies because each and every company came from different fields and together formed a formidable institution and group that is well versed to tackle any endeavor.*

*And not the least, GBDGI has the full support in terms of technical, intellectual and financial to any project for the advantage of people and countries involved in any partnership of which GBDGI is engaged.*

*We can consider it as a ONE STOP SHOP GROUP OF COMPANIES, wherein the companies involved in this closed group will make it easier to implement a given project and accomplished it with guaranteed satisfaction.*
